# Show and Sale Classification

This show is co-sponsored by the Department of Agriculture and the Northwest Missouri Shorthorn Breeders' Association. The ribbons and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of Superior breeding animals in Missouri.

All animals will be placed and graded by a competent judge. Grade designation and distribution and ribbon awards are as follows:

Grade A (Superior)—Blue Ribbon—The animals would fit into top purebred herds and flocks anywhere. They are correct in type, size, quality, breed character, etc.

Grade B (Good)—Red Ribbon—These animals are good enough to improve a large percentage of purebred and commercial herds.

Grade C (Medium)—White Ribbon—These animals are average for the breed.

Grade D (Unclassified)—No Ribbon—These animals are undesirable breeding animals.

# Introduction

We had planned a production sale with Mr. and Mrs. Dick Kyger of Stanberry, but they sold their herd. We are happy to join the Northwest Missouri Association on March 31st to make probably the largest female sale to be held this spring.

We have selected a group of good producing cows, outstanding bred heifers, and a choice group of open heifers to go with eight bulls. These cattle are all carrying close-up imported pedigrees.

Calrossie Captain John, a son of the famous Calrossie Welcome in Scotland, is a feature of our production, along with an outstanding group of cattle by Oakendene Count. I believe we have two very outstanding bulls and some real foundation, or herd improving females.

It has always been a pleasure to consign with Northwest Missouri breeders and friends. I know the quality of this sale will be outstanding.

You cannot buy as many grandsons and granddaughters of Calrossie Welcome in the midwest this spring as you can in this sale.

OREN LEE STALEY,  
Rea, Missouri
